*Don't Miss This Important Message!*

Hello St. Paul Families,

Please read the attached document very carefully, and **pass on all information to everyone in your family who drives your child to and from school.**

If you have a child in Kindergarten or Gr. 1, we encourage you to continue to use the regular drop off area in front on the covered area.

Families with the youngest child in Gr. 2 or older are asked to use the **back parking lot for drop off and pick up.**

**MOST IMPORTANTLY - It is your responsibility to inform your child where he/she will be picked up at the end of the day!** The children will be asked at the end of the day, and sent in the right direction. **Please do not call the office to pass on information to your child.**

**Details for all families are in the attached document.** Please plan to leave 15 mins earlier than normal to accommodate for any growing pains as we adjust to the new procedures. Please try to arrange carpooling where possible.

We ask for your patience while we adjust to the new routine.

Thank you.

Mrs. Maureen Moorehead
