Dear Families of St. Paul School,

Friday, October 27th, has been set aside as a "**Three Way Conference Day**". On this day, you and your child will be involved in a style of reporting that will include a parent/student/teacher exchange. We had such positive feedback from last year's new set up of the three way conferences that we have decided to continue to hold it in the same manner. This set up proves to be the most beneficial and effective way of recounting your child's accomplishments.

Having students take an active part in evaluation helps them develop a sense of responsibility for their own learning. It enables students to reflect on their own growth, giving them a sense of what they have learned, where they are now, and what goals they can focus on for the next term.

To allow for privacy, all conferences will be held in the school gym at individual tables, between **8am to 6pm**. Each family will meet with the teacher at a time. **There will be no regular classes on Conference Day**. The children will come to school, in uniform, with you at the scheduled time. Each student is allotted a conference time of 10 minutes. If you feel that more time is required, please schedule a meeting with the teacher at a later date. ***Please note that classrooms will not be open to families as in the past.** The Library will be open for siblings while they wait for their own conference time with you. **We regret we are unable to supervise pre-school children at this time.**

Conferences for Grade 3 to 7: At this conference the student leads the discussion by showing you a portfolio of his/her work in the presence of his/her teacher. Your child discusses his/her progress, and sets further learning goals. Your role is to acknowledge your child's efforts and accomplishments, and to make comments, ask questions and voice concerns in a constructive manner. The teacher's role is to point out signs of progress and main areas of concern, as well as to help set further learning goals.

Conferences for Kindergarten, Grade 1 and Grade 2: Parents will have a **Parent/Teacher** discussion focussing on your child's efforts, progress and accomplishments. Your child can come with you and stay in the library while you have the meeting with the teacher or he/she can stay at home. He/she has to be in uniform if he/she comes with you to school.
