New St. Paul School Traffic Plan - Effective March 27th, 2017

Please see attached map of property for clarification. All areas outlined in BLUE are **not accessible** for school families. All areas with RED ARROWS indicate our new traffic pattern.

You will notice that half of the **front** parking lot is still open, however **this parking is reserved for parishioners (who are not school families) and visitors to the parish.** It will also look like you can enter through the south entrance off St. Albans, (by the parish office) however **this entrance is reserved for construction vehicles only**, and if you enter this route you will be unable to turn around again.

NEW LOCATION FOR PICK-UP/DROP-OFF LANE:

- Enter through North entrance off St. Albans.
- EXIT back out again with a **RIGHT TURN ONLY** out the same north entrance to St. Albans.
- This option is **ONLY** for families with children who can **EXIT AND ENTER THE CAR INDEPENDENTLY. DRIVERS ARE NOT TO LEAVE THE DRIVER'S SEAT.** This helps the line move quickly.

FOR CARS THAT NEED TO PARK:

- All parking for school families is now **ONLY** in the back lot.
- **Enter and exit ONLY from LUNDY Rd.**

For the safety of the children, the back lot is NOT to continue to be used as a drop off spot. At dismissal, all pick-up lane students will be brought to the front roundabout by their teachers.

*****Please ensure your children know where you will meet them at the end of the day - either the pick-up lane, or in person in the covered area. All students will be asked this by their teacher.*****
