Dear Parents,

It's been a whirlwind of a first week with lots of smiles, new school supplies and routines, our first school Mass, and our first assembly tomorrow. It always takes adjustment to go from carefree summer days to a more structured routine, but our students and staff have done a fantastic job at settling in and getting the year up and running. Thank you for a great turn out for our Meet the Teacher/AGM the other night, and I hope that you feel well informed as to what lies in store for our child's education this year. Without the support of parents, our job as educators would be extremely challenging! We look forward to sharing in this journey with you this year.

Yours in faith,

Maureen Griffin  
Principal

# Walk-A-thon Fundraiser

**How much should my child aim to collect in pledges for Walkathon?** - Our Walkathon total last year was \$87,706, and we're hoping to beat it this year! Averaged out over our 169 families, that would equal approximately **\$500 worth of pledges per family**. Students are encouraged to ask family members, relatives, family friends, and neighbours, all with parent permission and supervision. We can do this!

**If your child will be away** – A reminder to please email the office and the teacher if your child is sick. This needs to be done each day your child is away, and please email before 8:30 AM. Thank you.

**School Arrivals** – Please note that **classes begin at 8:45 AM**. Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

**When Parents Have Concerns** – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child's teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

**Planning the school year?** –If you are looking for professional days, dates for school holidays, etc., our online calendar is updated to June 2021. The calendar can be accessed through the school website at [www.stpaulschool.ca](http://www.stpaulschool.ca).

**When your Child is Sick** – In anticipation of cold and flu season, we'd like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

**Birthday Celebrations** – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
