Dear Parents,

93 parents and counting! If you still want to register for our parent information evening with Safer Schools this coming Monday, please do so [here](#). You are well on your way to educating yourself on how best to navigate the internet and social media with your child.

I also invite you to join us next **Friday, Jan. 24<sup>th</sup>**, to celebrate our St. Paul Feast Day, where we will also recognize the 90<sup>th</sup> anniversary of St. Paul parish. We will have school Mass at 9:15 am, and then an assembly in the gym from 11:30 to Noon, where our primary and intermediate choirs will entertain us. Please note that students will be dismissed at Noon on this day. We hope you can join us!

Yours in faith,

Maureen Griffin  
Principal

**If your child will be away** – A reminder to please email the school ([absent@stpaulschool.ca](mailto:absent@stpaulschool.ca)) and the teacher if your child is sick. This needs to be done *each day your child is away*. *This also includes late arrivals and early pick-ups and please email before 8:30 AM*. Thank you.

**School Arrivals** – Please note that **classes begin at 8:45 AM**. Please make an effort to have your child arrive to school in time to be settled in the classroom by 8:45 and ready to learn. Thank you.

**When Parents Have Concerns** – If at any time you have a concern regarding your child, a school event, a staff member, or an incident that happened, we ask that you please come and speak with your child’s teacher. The only way that concerns can be effectively resolved is through open communication between home and school, resulting in accurate information being shared, and an informed understanding of your concern.

**When your Child is Sick** – In anticipation of cold and flu season, we’d like to remind parents to be prudent when it comes to deciding when to keep your child home, or when to send him/her to school if he/she has just recovered from being ill. Some basic guidelines are as follows: 24 hours after temperature returns to normal, or after gastrointestinal illness (vomiting/diarrhea); contagious infections such as suspected pink eye or strep throat; unexplained skin rash; severe cough and cold symptoms. Exercising proper hand washing techniques is also crucial to helping prevent the spread of viruses. This will go a long way to keep our student and staff population happy and at school.

**Birthday Celebrations** – If you wish to have your child share a special treat with the class on his/her birthday, you are welcome to send **a small allergen-free treat** that the teacher can hand out at the end of the day. We now have **30 students** who carry Epi-Pens for food-related allergies, so all treats must be free of allergens according to our school policy on anaphylaxis. Please help us keep all our students safe.
